

My heart belongs to you

words/music by Bodo Schaffrath

I've never saw the shining light, I've never felt the rain,
I've never heard that tune before, I've never asked me why.
The mornings came, the days gone by, that same old song again,
until the day you've crossed my way, come cross my way again.
Cause all I ever want is you and I never ever make you blue.

My heart belongs to you, my soul still stuck on you:
I can't stop loving you.
As long as water flow, as long's the sun will glow:
I can't stop loving you, loving you, loving you, oh no.
I can't stop loving you.

You've passed me by, you've caught my eye, I'm prisoned in your heart.
One look of you straight in my eyes, can put that spell on me.
Your nacked skin, seductive smile, I'll never can resist,
a touch of you, I start to cry, I want your love tonight.
Cause all I ever want is you and I never ever make you blue.

My heart belongs to you, my soul still stuck on you:
I can't stop loving you.
As long as water flow, as long's the sun will glow:
I can't stop loving you, loving you, loving you, oh no.
I can't stop loving you.

I want to touch your lips.
I always, I always will die in your arms again.
I know that I know that I know: I can't stop loving you.

My heart belongs to you, my soul still stuck on you:
I can't stop loving you.
As long as water flow, as long's the sun will glow:
I can't stop loving you.
