

Colours of your dream

words/music: Bodo Schaffrath

Why don't you just tell me, what colours you have seen?
The colours of tomorrow or eternity?
Tell me why, tell me why?

Why don't you just show me the way to your door?
The door into tomorrow, the door inside your dreams?
Tell me why, tell me why?

Why do we face frontiers everywhere, everywhere?
Just believe in you and learn to fly!

Just believe in you, just believe in me
to catch your dream, your dream!
Paint it blue, paint it green
in every colour you have seen, oh no.
paint it blue, paint it green!
in every colour you have seen!

Why don't you just feel it, when you touch the ground?
When you touch the ceiling or walls surround you?
Tell me why, tell me why?

Why can't you just see it even when you close your eyes?
The door into tomorrow, the door inside your dreams?
Tell me why, tell me why?

Why do we face frontiers everywhere, everywhere?
Just believe in you and learn to fly!

Just believe in you, believe in me
to catch your dream, your dream!
Paint it blue, paint it green
in every colour you have seen oh no
paint it blue, paint it green!
in every colour you have seen!

Just believe in you, believe in me
to catch your dream, your dream!
Paint it blue, paint it green
in every colour you have seen oh no
paint it blue, paint it green!
in every colour you have seen!
