

Clever boy

words/music: Bodo Schaffrath

I just walk around, I don't sleep at night,
darkness is my old friend, a place where I can hide
and watch the man on the moon:
quiet moments that I need to recover from social times.

So don't tell me what to do, because I'm not like you:
I don't think like you, I don't feel like you, I'm not like you:
but I'm a clever boy!

I want to hear the truth, just wanna be real,
if you're my best friend, just tell me how you feel,
cause I'm the man on the moon:
valuation that I need to recover from social times.

So don't tell me what to do, because I'm not like you:
I don't think like you, I don't feel like you, I'm not like you:
but I'm a clever boy!

So don't tell me what to do, because I'm not like you:
I don't think like you, I don't feel like you, I'm not like you:
but I'm a clever boy!
